#### THE ACCOMMODATION

The purpose built new CATS College School sits in front of the newly refurbished residence - together creating a centrally located, single site campus in Cambridge. All rooms are single ensuite with private bathroom. Shared social and common room spaces support and offer all our students a home from home feel. Residential supervisors, together with 24 hour security staff, offer the highest standard of care and welfare for our younger students, in particular. We also have a dedicated wing for our youngest students with extra care provided.

#### LOCATION

Our brand new purpose built state of the art school is on the doorstep in this new campus for Cambridge. Safe and secure, everything is on one self-contained site. The city centre is 15 minutes' walk away through the beautiful riverside area of Cambridge. Close to a very large public park with sporting and social amenities in the Chesterton community.
